

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at <http://books.google.com/>

10

A historical map of the Caribbean region, spanning from the northern coast of South America to the Bahamas and the southern coast of North America. The map shows the outlines of modern-day countries: Colombia, Venezuela, Brazil, and the Dominican Republic. Major cities like Bogotá, Caracas, and Santo Domingo are indicated. The map is densely populated with labels for numerous islands, including the West Indies (Hispaniola, Cuba, Puerto Rico, Jamaica, etc.), the Leeward Islands (e.g., Antigua, Barbuda), the Windward Islands (e.g., St. Lucia, St. Vincent, Barbados), and the British Virgin Islands. The Tropic of Cancer is drawn across the northern part of the map. The map is oriented with North at the top right.

PREFATORY NOTE

TO THE

INDEX OF DR. BUTLER'S MODERN ATLAS.

IT is to be observed, that this Index is only made for the purpose of complete and easy reference to the accompanying Maps; and that the Latitude and Longitude of Rivers, and Names of Countries or People, are given from the place where their names happen to be written in the Map, and not from any remarkable point.

The same River, Mountain, Town, &c. frequently occurs in different Maps, but is only once referred to in the Index; but the names of very large Rivers are occasionally repeated twice or thrice in the Index when any advantage seemed likely to arise from doing so.

ADVERTISEMENT TO THE NEW EDITION.

THE Publishers beg to announce that, in consequence of the alterations and additions that have been rendered necessary by late official surveys, new discoveries, and recent voyages and travels in every part of the globe, it has been deemed advisable that all the Maps in Dr. Butler's Modern Atlas should be *re-engraved* from New Drawings.

The present edition will therefore, it is hoped, be found to embody all the most recent geographical and topographical information; for the Publishers can truly say that they have spared neither labour nor expense to maintain the character of this popular and comprehensive School Atlas.

April, 1842.

INDEX

TO

DR. BUTLER'S MODERN ATLAS.

In the first column ‡ signifies Country, Province, or District; § signifies Tribes or People.
 In the second column * signifies North, and † signifies South Latitude.
 In the third column * signifies East, and † signifies West Longitude.

October 1842.

A Catalogue of

BOOKS ON EDUCATION,

IN ALL BRANCHES OF KNOWLEDGE,

PRINTED FOR

LONGMAN, BROWN, GREEN, AND LONGMANS.

CAUTION.—*Early and immature Editions of some of Messrs. Longman and Co.'s School Books having been reprinted by other Booksellers, it is necessary to caution purchasers that the only correct and genuine Editions, with the Authors' latest Additions and Improvements—all of which are Copyright—bear the imprint of Messrs. Longman, Brown, and Co.*

Messrs. LONGMAN and Co. beg to call attention to the following important New School Books. :—

ENGLISH; or, The Art of Composition Explained in a Series of Instructions and Examples.
By G. F. GRAHAM. (*Vide page 16.*)

This work differs materially from all others on the subject which have preceded it. It is founded on the application of the principle of IMITATION to the simplest expression of thought; and conducts the mind gradually, by imitative exercises of progressive difficulty, to the practice of connected composition.

ELEMENTS of GEOMETRY; consisting of the first Four and Sixth Books of Euclid, chiefly from the Text of Dr. Robert Simson: with the principal Theorems in Proportion, and a Course of Practical Geometry on the Ground; also, Four Tracts relating to Circles, Planes, and Solids, with one on Spherical Geometry. By Mr. NARRIEN, Professor of Mathematics in the Royal Military College, Sandhurst.

This work is the second of a series which is to constitute a General Course of Mathematics for the Use of the Gentlemen Cadets and the Officers in the Senior Departments of that Institution, by Professors Narrien and Scott. The Course, when completed, will comprehend the subjects whose titles are subjoined:—Arithmetic and Algebra; Geometry; Plane and Spherical Trigonometry, with Mensuration; Analytical Geometry, and the Differential and Integral Calculus, with the Properties of the Conic Sections; Practical Astronomy and Geodesy; the Principles of Mechanics; and Physical Astronomy.

AN ENTIRELY NEW EDITION of the REV. J. GOLDSMITH'S GRAMMAR of GENERAL GEOGRAPHY, for the Use of Schools and Young Persons. With a New Set of Maps and Engravings. Revised throughout and corrected by HUGH MURRAY, Esq. Author of "The Encyclopaedia of Geography."

This Grammar has long been a standard work for the training and instruction of youth in the important science of Geography. To support this character, the publishers have incorporated in successive editions all the new discoveries and statistical intelligence. The work has thus been kept uniformly on a level with the advanced state of Geographical Knowledge. The present edition has been carefully revised by Hugh Murray, F.R.S.E., author of the "Encyclopaedia of Geography," well known as a standard work on the subject. Besides adding all new information, countries which have risen in importance, as the British colonies in America and Australia, the United States, China, Prussia, and various others, have been treated at greater length. The volume, therefore, it is hoped, will be found now still more deserving of the ample patronage hitherto bestowed upon it.

A NEW EDITION of the REV. JOHN HARTLEY'S GEOGRAPHY for YOUTH, adapted to the different Classes of Learners; revised, and containing the latest Changes.

In preparing the present edition for the press, no labour has been spared to maintain its long-established character as a standard work on Elementary Geography. The work has been subjected throughout to a careful revision; the errors that had crept into former editions have been eradicated; and all the most recent statistical intelligence and discoveries have been incorporated. Considerable additions, too, have been made to countries that have undergone important changes—such as England, Germany, and the British Colonies in every part of the globe; new chapters have been added on Greece, Belgium, Afghanistan, and other countries; and the political subdivisions of all the European and American states have been adjusted to the most recent and authenticated intelligence. In short, every effort has been made to bring the work to a level with the present advanced state of Geographical knowledge.

AN ENTIRELY NEW EDITION of SMART'S PRACTICE of ELOCUTION; or, a Course of Exercises for acquiring the several Requisites of a good Delivery: augmented, particularly by a Chapter on Impassioned Reading qualified by Taste; with Exercises adapted to a Chronological Outline of English Poetry.

Great care has been taken in preparing this, the Fourth Edition of the present work, for the press; and the new chapter, it is hoped, will supply a desideratum in the schools—an introduction to the English poets, comprehensive in outline, but brief in detail.

DR. BLOOMFIELD'S EDITION of THUCYDIDES' HISTORY of the PELOPONNESIAN WAR. A new Recension of the Text: with a carefully amended Punctuation; and copious Notes, Critical, Philological, and Explanatory, almost entirely original, but partly selected and arranged from the best Expositors, and forming a continuous Commentary: accompanied with full Indices, both of Greek Words and Phrases explained, and matters discussed in the Notes. (In 2 vols. 8vo.) Vol. 1.—The Second Volume is in the press. (*Vide page 9.*)

1. Elementary Greek Works, Lexicons, Grammars, &c.

BRASSE'S GREEK GRADUS.—NEW EDIT. BY REV. F. E. J. VALPY.

A Greek Gradus; or, a Greek, Latin, and English Prosodial Lexicon; containing the Interpretation, in Latin and English, of all Words which occur in the Greek Poets, from the Earliest Period to the time of Ptolemy Philadelphus, with the Quantity of the Syllables verified by Authorities: and combining the advantages of a Lexicon of the Greek Poets and a Greek Gradus. For the use of Schools and Colleges. By the late Rev. Dr. BRASSE. To which is added, a Synopsis of the Greek Metres, by the Rev. J. R. Major, D.D. Head Master of King's College School, London. 2d Edition, revised and corrected by the Rev. F. E. J. Valpy, M.A. Head Master of Burton-on-Trent Grammar School. 1 vol. 8vo. pp. 50. cloth. London, 1842..... 15 0

GILES'S GREEK AND ENGLISH LEXICON.—SECOND EDITION.

A Lexicon of the Greek Language, for the Use of Colleges and Schools; containing—1. A Greek-English Lexicon, combining the advantages of an Alphabetical and Derivative arrangement;—2. An English-Greek Lexicon, more copious than any that has ever yet appeared. To which is prefixed, a Concise Grammar of the Greek Language. By the Rev. J. A. GILES, LL.D., late Fellow of C. C. College, Oxon. 2d Edit. with Corrections. One thick volume 8vo. pp. 976, cloth. London, 1840..... 21 0

"This is a worthy companion to 'Riddle's Latin Dictionary,' containing all the information necessary to a student; and, what is of equal importance, no more. The author is generally successful in developing the structure and composition of the Greek language; avoiding the quibbling derivations which disfigure the older lexicons, and especially that of Schrevelius, he points out the genuine radicals so far as they can be discovered with certainty."—ATHENÆUM.

"In two points it excels every other Lexicon of the kind; namely, in the English-Greek part, and in the Classification of Greek Derivatives under their primitives."—MOODY'S ETON GREEK GRAMMAR.

MOODY'S ETON GREEK GRAMMAR IN ENGLISH.

The New Eton Greek Grammar; with the Marks of Accent, and the Quantity of the Penult: containing the Eton Greek Grammar in English; the Syntax and Prosody as used at Eton; also, the Analogy between the Greek and Latin Languages; Introductory Essays and Lessons: with numerous Additions to the Text. The whole being accompanied by Practical and Philosophical Notes. By CLEMENT MOODY, of Magdalene Hall, Oxford; and Editor of the Eton Latin Grammar in English. 2d Edition, carefully revised, &c. 12mo. pp. 214, cloth. London, 1841..... 4 0

In this Grammar are followed out the simplified plan and easy principles of the New Eton Latin Grammar. The analogy between the two languages is developed, chiefly from the elaborate work of Vossius; and the Notes have been carefully selected and condensed from Matthiae, Thiersch, Buttmann, and other learned grammarians. The parts to which new matter has been added, are, among others, the Accidence of Adjectives, the List of Anomalous Verbs, the Syntax of the Genitive Case after the Verb, and the Accents of Words.

VALPY'S GREEK GRAMMAR.—NEW EDITION.

The Elements of Greek Grammar: with Notes. By R. VALPY, D.D. late Master of Reading School. New Edition, 8vo. pp. 216, boards. London, 1840. 6s. 6d.; or, bound 7 6

VALPY'S GREEK DELECTUS, AND KEY.—NEW EDITION.

Delectus Sententiarum Greccarum: ad usum tironum accommodatus. Cum Notulis et Lexico. Auctor R. VALPY, D.D. Editio Nova, eademque aucta et emendata, 12mo. pp. 120. cloth. London, 1841 4 0

. The Latin-English (pp. 794, London, 1841, 7s. bound) and English-Latin (pp. 312, London, 1841, 5s. 6d. bound) portions may be had separately.

EXTRACT FROM AN ARTICLE ENTITLED "SCHOOL BOOKS" IN THE CHURCH OF ENGLAND QUARTERLY REVIEW (No. XXIII.) FOR JULY 1842.

"From the time that a boy at school commences translation of the simplest kind, derivations should be attended to; and indeed we should consider Mr. Riddle's an invaluable book, when compared with other Dictionaries, merely on the ground of its large stock of derivations. In the monotony of early instruction these are, perhaps, the very first things that awaken curiosity and interest; a momentary escape and respite, if only apparent, from the irksome matter in hand, is that for which boys are continually craving; and this may be more advantageously indulged by frequent reference to kindred English words, in which they feel themselves at home, than in any other manner."

MOODY'S ETON LATIN GRAMMAR, &c. IN ENG.—FOURTH EDIT.

The New Eton Latin Grammar, with the Marks of Quantity and the Rules of Accent; containing the Eton Latin Grammar, as used at Eton, the Eton Latin Grammar, in English: with the following important additions:—Rules of Declension and Conjugation—Figures of Grammar and Rhetoric—Latin Abbreviations—Latin Praxis—Rules for Construing, with Introductory Lessons—Directions for the Translator—Rules of Position—Roman Mode of computing Time and Money, a Parsing Praxis, and complete Index to Syntax, &c. &c.—with copious and easy Explanatory Notes, Philosophical as well as Practical. By CLEMENT MOODY, of Magdalene Hall, Oxford; Editor of the Eton Greek Grammar in English. 4th Edition, revised throughout, and considerably enlarged, pp. 236, cl. let. Lond. 1841. 3 6

The Eton Latin Accidence, with Additions and Notes. 2d Edition, 12mo. pp. 74. London, 1840. 1 0

*Elementary Latin Works—CONTINUED.***VALPY'S LATIN GRAMMAR.—NEW EDITION.**

The Elements of Latin Grammar; with Notes. By R. VALPY, D.D. late Master of Reading School. A New Edition, with numerous additions and corrections, 12mo. pp. 144, bound. London, 1841.... 2 6

VALPY'S LATIN VOCABULARY.—TENTH EDITION.

A New Latin Vocabulary, adapted to the best Latin Grammars; with Tables of Numeral Letters, English and Latin Abbreviations, and the value of Roman and Grecian Coins. By R. VALPY, D.D. 11th Edition, 12mo. pp. 104, bound. London, 1841 2 0

VALPY'S LATIN DELECTUS, AND KEY.—NEW EDITION.

Delectus Sententiarum et Historiarum, ad usum Tironum Accommodatus. Cum Notulis et Lexico. Auctore R. VALPY, D.D. New Edition, with explanations and directions, and a Dictionary, in which the Genders and Nouns, and the principal parts of Verbs, are inserted. 12mo. pp. 188, cloth. London, 1842.. 2 6

KEY, being a Literal Translation. By a PRIVATE TEACHER. A New Edition, carefully revised, and adapted to the alterations in the new edition of the text, by W. R. BURDON. 12mo. pp. 112, cloth. London, 1838 3 6

VALPY'S SECOND LATIN DELECTUS.—SECOND EDITION.

The Second Latin Delectus; designed to be read in Schools after the Latin Delectus, and before the *Analecta Latina Majora*: with English Notes. 2d Edition. By the Rev. F. E. J. VALPY, M.A. Head Master of the Free Grammar-School, Burton-on-Trent. 8vo. pp. 228, bound. London, 1836..... 6 0

CONTENTS.—Phædrus; Cornelius Nepos; Ovid's Epistles; Cæsar; Ovid's Metamorphoses; Justin; Quintus Curtius; Virgil; Livy; Florus; Velleius Paterculus; Horace; Cicero; Lucretius.

VALPY'S FIRST LATIN EXERCISES.—NEW EDITION.

First Exercises on the Principal Rules of Grammar, to be translated into Latin; with Familiar Explanations. By the late Rev. R. VALPY, D.D. A New Edition, with many additions, 18mo. pp. 68, cloth. London, 1841 1 6

In this work it has been endeavoured to give the learner some little knowledge of the elements of *things*, while he is studying the construction of *words*. A few general principles of science and morality, imprinted on the memory at an early age, will never be erased from the mind, and will often lay the foundation of a substantial fabric of useful knowledge.

VALPY'S SECOND LATIN EXERCISES.—FIFTH EDITION.

Second Latin Exercises; applicable to every Grammar, and intended as an Introduction to "Valpy's *Elegantiae Latinae*." By Rev. E. VALPY, B.D. late Master of Norwich School. 6th Edit. 12mo. pp. 122, cloth. London, 1841..... 2 6

* * The Rules and Examples are intended as an immediate sequel to Valpy's "First Exercises," with which the youthful reader is supposed to be fully acquainted before these "Exercises" are put into his hands. He will thus be led, by a regular gradation, to Valpy's "*Elegantiae Latinae*," to which these Exercises will be an introduction. The Examples are taken from the purest Latin Writers (chiefly the Historians), in Prose and Verse.

VALPY'S ELEGANTIAE LATINAE, AND KEY.—NEW EDITION.

Elegantiae Latinae; or, Rules and Exercises illustrative of Elegant Latin Style: intended for the Use of the Middle and Higher Classes of Grammar Schools. To which is added, the Original Latin of the most difficult Phrases. 11th Edition, corrected. By the Rev. E. VALPY, B.D. late Master of Norwich School. 12mo. pp. 276, cloth. London, 1837..... 4 6

KEY, being the original Passages taken from Latin Authors, which have been translated into English, to serve as Examples and Exercises in the *Elegantiae Latinae*, 12mo. pp. 48, sewed. London, n.d. 2 6

VALPY'S LATIN DIALOGUES.—SIXTH EDITION.

Latin Dialogues, collected from the best Latin Writers, for the Use of Schools. By R. VALPY, D.D. 6th Edition, 12mo. pp. 104, cloth. London, 1832..... 2 6

The principal use of this work is to supply the Classical Student with the best phrases on the common occurrences of life, from Plautus, Terence, Virgil, Cicero, Horace, Juvenal, &c. With a view of leading the scholar to a familiar knowledge of the purest writers, by storing his mind with elegant expressions, the Poets have been made to contribute a considerable share of the phrases. The *Naufragium*, the most striking, and the *Dilexulum*, the most useful, of Erasmus' Colloquies, are added.

*Elementary Latin Works—CONTINUED.***HOWARD'S INTRODUCTORY LATIN EXERCISES.—NEW EDIT.**

Introductory Latin Exercises to those of Clarke, Ellis, Turner, and others; designed for the Younger Classes. By NATHANIEL HOWARD. A New Edition, 12mo. pp. 118, cloth. London, n. d..... 2 6

HOWARD'S LATIN EXERCISES EXTENDED.

Latin Exercises Extended; or, a Series of Latin Exercises, selected from the best Roman Writers, and adapted to the Rules in Syntax, particularly in the Eton Grammar. To which are added, English Examples, to be translated into Latin, immediately under the same rule. Arranged under Models. By NATHANIEL HOWARD. A New Edition, 12mo. pp. 262, cloth. London, n. d..... 3 6
KEY, 2d Edition, 12mo. pp. 104, cloth. London, 1832..... 2 6

BUTLER'S PRAXIS, AND KEY.—NEW EDITION.

A Praxis on the Latin Prepositions; being an attempt to illustrate their Origin, Signification, and Government, in the way of Exercise. By the late Bishop BUTLER. 6th Edition, 8vo. pp. 266, boards. London, 1839 6 6
KEY, pp. 160, boards. London, 1836 6 0

BRADLEY'S EXERCISES, &c. ON LATIN GRAMMAR.—NEW EDIT.

Series of Exercises and Questions, adapted to the best Latin Grammars, and designed as a Guide to Parsing, and an Introduction to the Exercises of Valpy, Turner, Clarke, Ellis, &c. &c. By the Rev. C. BRADLEY, Vicar of Glasbury. 4th Edition, 12mo. pp. 112, bound. London, n. d..... 2 6

BRADLEY'S LATIN PROSODY, AND KEY.—NEW EDITION.

Exercises in Latin Prosody and Versification. By the Rev. C. BRADLEY, Vicar of Glasbury, Brecon. 8th Edit. with an Appendix on Lyric and Dramatic Measures, 12mo. pp. 180, cloth. London, 1841 3 6
KEY, 5th Edit. 12mo. pp. 52, sewed..... 2 6

HOOLE'S TERMINATIONS.—NEW EDITION.

BELFOUR'S XENOPHON'S ANABASIS.—THIRD EDITION.

The Anabasis of Xenophon; chiefly according to the Text of Hutchinson. With Explanatory Notes and Illustrations of Idioms from Viger, &c., copious Indexes, and Examination Questions. By F. CUNNINGHAM BELFOUR, M.A. Oxon. F.R.A.S. L.L.D., late Professor of Arabic in the Greek University of Corfu. 4th Edit. with Corrections and Improvements, post 8vo. pp. 286, bds. London, 1840 8 6

* In preparing this edition for the use of the public, great care has been taken to revise the whole of the text on the several foreign texts of Bornemann, Poppo, Dindorf, and Negris. By the judgment of the last, himself a native Greek, the editor has been much guided in his adoption of various improvements. Some recommendation of the present over former editions will be found in the English language of the Index to the Words and Phrases, by conversion from the Latin; and in the augmentation of the indices to the notes by various additional forms both of grammar and rhetoric.

BARKER'S XENOPHON'S CYROPÆDIA.

The Cyropædia of Xenophon; chiefly from the Text of Dindorf: with Notes, Critical and Explanatory, from Dindorf, Fisher, Hutchinson, Poppo, Schneider, Sturtz, and other eminent scholars; accompanied by the Editor's Comments. To which are added, Examination Questions, and copious Indices. By E. H. BARKER, late of Trinity College, Cambridge. Post 8vo. pp. 352, boards. London, 1831 9 6

BURGES'S PLATO.

Plato.—Four Dialogues; Crito, Greater Hippias, Second Alcibiades, and Sysiphus. With English Notes, original and selected. In this edition Bekker's Text is adopted, and the whole of Heindorff's Notes are translated. By G. BURGES, A.M. Post 8vo. pp. 212, boards. London, n. d. 9 6

BARKER'S DEMOSTHENES.

Demosthenes.—Oratio Philippica I.; Olynthiaca I. II. and III.; de Pace; Æschines contra Demosthenem; de Coronâ. With English Notes. By E. H. BARKER. 2d Edit. post 8vo. pp. 296, boards. London, 1841 8 6

HICKIE'S LONGINUS.

Longinus on the Sublime: chiefly from the Text of Weiske, with copious English Explanatory Notes and Indices; and Life of Longinus. By D. B. HICKIE, Head Master of Hawkshead Grammar School. 1 vol. post 8vo. pp. 146, cloth lettered. London, 1838 5 0

"The notes evince sound judgment, extensive reading, and correct taste."—MONTHLY REVIEW.

HICKIE'S THEOCRITUS.

The Text only, 2d Edition, pp. 120, bound. London, 1836 3 0

VALPY'S VIRGIL.—NEW EDITION.

P. Virgilii Maronis, Bucolica, Georgica, Æneis. Accedunt, in Gratiam Juventutis, Note quadam Anglicæ Scriptæ. Editio Undecima. Edited by A. J. VALPY, M.A. 18mo. pp. 660, bound. Lond. 1841 7 6

The Text only, 19th Edition, pp. 388, bound. London, 1841 3 6

VALPY'S HORACE.—NEW EDITION.

Q. Horatii Flacci Opera, ad fidem optimorum exemplarum Castigata, Editio Nona, cum Notulis Anglicis. Edited by A. J. VALPY, M.A. 18mo. pp. 398, bound. London, 1839 6 0

The Same, without Notes. New Edition, pp. 276. London, 1840 3 6

. The objectionable Odes and Passages have been expunged.

BARKER'S CICERO DE AMICITIA, ETC.—NEW EDITION.

Cicero's Cato Major, and Lælius; with English Explanatory and Philological Notes: and with an English Essay on the Respect paid to Old Age by the Egyptians, the Persians, the Spartans, the Greeks, and the Romans. By the late E. H. BARKER, Esq., of Trinity College, Cambridge. 6th Edition, 12mo. pp. 168, bound in cloth. London, 1839 4 6

VALPY'S CICERO'S EPISTLES.—NEW EDITION.

Epistole M. T. Ciceronis excerptæ, et ad optimorum fidem exemplorum denuo castigate. Cum Notis Anglicis. Edited by A. J. VALPY, M.A. New Edition, 18mo. pp. 144, cloth. London, 1831 (Text only, 5th Edition, pp. 116, cloth, London, 1829, 2s.) 3 0

VALPY'S CICERO'S OFFICES.—NEW EDITION.

M. Tullii Ciceronis de Officiis Libri Tres. Accedunt in usum Juventutis Note quadam Anglicæ Scriptæ. Editio Quarta, aucta et emendata. Edited by A. J. VALPY, M.A. 12mo. pp. 388, cloth. Lond. 1838 6 6

BARKER'S CICERO'S CATILINARIAN ORATIONS, ETC.

Cicero's Catilinarian Orations, from the Text of Ernesti; with some Notes by the Editor, E. H. BARKER, Esq., and many selected from Ernesti, &c.; and with Extracts from Andreas Schottus' Dissertatio, entitled Cicero a Calumniis Vindicatus. To which is appended, Tacitus' Dialogus de Oratoribus, sive de causis corruptæ eloquentiæ; and, also, several beautiful Extracts from English Authors, with a Suggestion to the Conductors of Classical Schools to devote one day in the week to the study of English Literature. 12mo. pp. 180, bound. London, 1829 5 6

VALPY'S CICERO'S TWELVE ORATIONS.—NEW EDITION.

Twelve Select Orations of M. Tullius Cicero; from the Text of Jo. Casp. Orellius. With English Notes. Edited by A. J. VALPY, M.A. Second Edition, post 8vo. pp. 292, boards. London, 1839 7 6

BARKER'S CÆSAR'S COMMENTARIES.

C. Julius Caesar's Commentaries on the Gallia War; from the Text of Oudendorp: with a selection of Notes from Dionysius Vossius, from Drs. Davies and Clarke, from Oudeendorp, &c., &c.; to which are added Examination Questions. By E. H. BARKER, Esq., late of Trinity College, Cambridge. Post 8vo., pp. 272, with several woodcuts, in boards 6 6

*Editions of Latin Classic Authors—CONTINUED.***VALPY'S TERENCE.—SECOND EDITION.**

Terence.—The *ANDRIAN*, with English Notes. Divested of every Indelicacy. By R. VALPY, D.D. 12mo. pp. 60, bound. London, 1838 2 0

The First Five Books of Livy; with English Explanatory Notes and Examination Questions. By D. B. HICKIE, LL.D., Head Master of Hawkshead Grammar School. Post 8vo. pp. 450, bds. Lond. 1841 8 6

5. Works by the Rev. S. T. Bloomfield, D.D. F.S.A.

BLOOMFIELD'S GREEK & ENG. LEXICON TO NEW TESTAMENT.

Greek and English Lexicon to the New Testament; especially adapted to the use of Colleges and the higher Classes in the Public Schools; but also intended as a convenient Manual for Biblical Students in general. Fcp. 8vo. pp. 492, cloth lettered. London, 1840 9 0

" Among those who have laboured with the most indefatigable zeal and the greatest success in the field of biblical research, a pre-eminent place is due to the Rev. Dr. Bloomfield, the author of the work before us. Those who are acquainted with his Greek Testament with Notes, especially the last edition (and to such of our readers as may not have seen it we earnestly recommend it), must have been struck with the vast number of improvements which he has introduced into the criticism and interpretation of that portion of the Sacred Canon. He has thereby supplied a desideratum which had long been felt by students and theologians generally. To that work the Greek and English Lexicon serves as an appropriate companion. We cordially recommend it to all who are engaged in the study of the Greek Testament."—CONGREGATIONAL MAG.

BLOOMFIELD'S GREEK THUCYDIDES.—NEW EDITION.

The History of the Peloponnesian War, by Thucydides. A New Recension of the Text: with a carefully amended Punctuation; and copious Notes, Critical, Philological, and Explanatory, almost entirely original, but partly selected and arranged from the best Expositors, and forming a continuous Commentary: accompanied with full Indices, both of Greek Words and Phrases explained, and matters discussed in the Notes. Dedicated, by permission, to the Right Hon. and Right Rev. Charles James, Lord Bishop of London. Illustrated by Maps and Plans, mostly taken from actual survey. (In 2 vols. 8vo.) Vol. I, pp. 600, cloth. London, 1842 18 0

* * * In introducing the present performance to the notice of the public, the Editor offers it not as a new edition, of his former Greek Thucydides, but as an entirely distinct work, on a far more extensive scale; in forming which it has been his especial purpose to embody the concentrated results of his indefatigable labour on that writer, carried on with more or less of continuity for above thirty years, and to present whatever can justly be thought essential to the thorough understanding of this greatest of ancient historians, but most difficult of writers.—The Second Volume is in the press.

BLOOMFIELD'S TRANSLATION OF THUCYDIDES.

The History of the Peloponnesian War, by THUCYDIDES. Newly translated into English, and accompanied with very copious Notes, Philological and Explanatory, Historical and Geographical; with Maps and Plates. 3 vols. 8vo. pp. 1632, boards. London, 1829 45 0

BLOOMFIELD'S GREEK TESTAMENT.—NEW EDITION.

The Greek Testament: with copious English Notes, Critical, Philological, and Explanatory. 3d Edition, greatly enlarged, and very considerably improved, in 2 closely-printed volumes, 8vo. pp. 1460, with Map of Palestine, handsomely bound in cloth. London, 1841 40 0

BLOOMFIELD'S COLLEGE & SCHOOL GREEK TEST.—NEW ED.

College and School Greek Testament: with English Notes. 2d Edition, with Additions, and a new Map of Palestine, adapted to the Gospel History. 1 thick vol. 12mo. pp. 576, cloth. London, 1838 10 6

6. *History, Chronology, and Mythology.*

BLAIR'S CHRONOLOGICAL AND HISTORICAL TABLES,

From the Creation to the present Time. A New Edition, carefully corrected, enlarged, and brought down to the present time; and printed in a more convenient form. (*In the Press.*)

MANGNALL'S QUESTIONS.—ONLY GENUINE AND COMPLETE EDIT.

Historical and Miscellaneous Questions, for the Use of Young People; with a Selection of British and General Biography. By R. MANGNALL. New Edition, with the Author's last Corrections and Additions, and other very considerable recent Improvements, 12mo. pp. 474, bound. London, 1842 4 6

. The only edition with the Author's latest Additions and Improvements, bears the imprint of Messrs. LONGMAN and Co.

CORNER'S SEQUEL TO MANGNALL.—NEW EDITION.

Questions on the History of Europe; a Sequel to Mangnall's Historical Questions: comprising Questions on the History of the Nations of Continental Europe not comprehended in that work. By JULIA CORNER. New Edition, 12mo. pp. 408, bound. London, 1842 5 0

HORT'S PANTHEON.—NEW EDITION.

The New Pantheon: or, an Introduction to the Mythology of the Ancients, in Question and Answer: compiled for the Use of Young Persons. To which are added, an Accented Index, Questions for Exercise, and Poetical Illustrations of Grecian Mythology, from Homer and Virgil. By W. J. HORT. New Edition, considerably enlarged by the addition of the Oriental and Northern Mythology, 18mo. pp. 280, 17 Plates, bound. London, 1842 5 6

Ecclesiastical Chronology; or, Annals of the Christian Church, from its Foundation to the Present Time: to which are added, Lists of Councils and of Popes, Patriarchs, and Archbishops of Canterbury. By the Rev. J. E. RIDDLE, M.A., Author of "The Complete Latin Dictionary," &c. 8vo. pp. 512, cloth. London, 1840..... 15 0

"A very useful and indispensable work, containing, in a single volume, a complete *coup d'œil* of ecclesiastical history."—SPECTATOR.

TATE'S CONTINUOUS HISTORY OF ST. PAUL.

The Continuous History of the Labours and Writings of St. Paul, on the basis of the Acts, with intercalary matter of Sacred Narrative, supplied from the Epistles, and elucidated in occasional Dissertations: with the HORE PAULINÆ of Dr. PALEY, in a more correct edition, (with occasional Notes), subjoined, By J. TATE, M.A., Canon Residentiary of St. Paul's. In 8vo. with Map, pp. 240, cloth. London, 1840..... 13 0

7. Dictionaries—English and Anglo-Saxon.

†‡ For other Dictionaries, *vide* Messrs. Longman and Co.'s royal 8vo. School Catalogue.

BOSWORTH'S ANGLO-SAXON DICTIONARY.

A Dictionary of the Anglo-Saxon Language; containing the Accentuation, the Grammatical Inflections, the Irregular Words referred to their Themes, the Parallel Terms from the other Gothic Languages, the Meaning of the Anglo-Saxon in English and Latin, and copious English and Latin Indexes, serving as a Dictionary of English and Anglo-Saxon, as well as of Latin and Anglo-Saxon. With a Preface, on the Origin and Connection of the German Tongues, a Map of Languages, and the Essentials of Anglo-Saxon Grammar. By the Rev. J. BOSWORTH, LL.D. Dr. Phil. of Leyden, &c. Royal 8vo. pp. 766, boards. Cambridge, 1838..... 42 0

BLACK'S STUDENT'S MANUAL.—NEW EDITION.

The Student's Manual: being an Etymological and Explanatory Vocabulary of Words derived from the Greek. By R. H. BLACK, LL.D. New Edition, greatly augmented, 18mo. pp. 140, cl. Lond. 1842. 2 6

"So many of our most expressive words are derived from the Greek, that without some knowledge of that language, or, at least, of the compounds adopted from it, we lose all the beauties and ingenuity of our terms of art and science; which, for want of the interesting associations which a knowledge of their origin would create, appear to us a mere jumble of letters unmeaningly put together, and of arbitrary sounds."

BLACK'S SEQUEL TO STUDENT'S MANUAL.—NEW EDITION.

An Etymological and Explanatory Dictionary of Words derived from the Latin, with amusing Illustrations from Eminent Writers. By R. H. BLACK, LL.D. New Edit. 18mo. pp. 356, cloth. Lond. n. d. 5 6

"If the custom prevailed with all instructors (which assuredly ought to be the case) of tracing the English to the Latin language, the utility of this last would be more generally and permanently felt, nor would it be so readily forgotten in manhood, after the long and fruitless pains that have been taken to acquire it."—JONES.

WALKER'S DICTIONARY REMODELLED.

Smart's Pronouncing Dictionary of the English Language, epitomised on a plan which allows of full Definitions to the Leading Words, and large Additions to the Terms of Modern Science; with a Key to the Pronunciation of Greek Latin, and Scripture Names, &c. By B. H. SMART, Author of the former Dictionary. 1 vol. fcp. 8vo. pp. 726, cloth. London, 1840..... 7 6

8. Works on Geometry, Arithmetic, Land-Surveying, Mechanics, &c.

NARRIEN'S ELEMENTS OF EUCLID.

Elements of Geometry: consisting of the first four, and the sixth, Books of Euclid, chiefly from the Text of Dr. Robert Simson; with the principal Theorems in Proportion, and a Course of Practical Geometry on the Ground. Also, Four Tracts relating to Circles, Planes, and Solids; with one on Spherical Geometry. By JOHN NARRIEN, F.R.S. and R.A.S. Professor of Mathematics, &c. at the Royal Military College, Sandhurst. 8vo. pp. 288, with many diagrams, bound. (*Vide page 1.*) London, 1842. 10 6

ELEMENTS of ARITHMETIC and ALGEBRA. By W. SCOTT, Esq. A.M. and F.R.A.S. Second Mathematical Professor at the Royal Military College. 1 vol. 8vo. (*In preparation.*)

THE APPLICATION of ALGEBRA & GEOMETRY, PLANE & SPHERICAL TRIGONOMETRY (treated analytically), TOPOGRAPHICAL SURVEYING, MENSURATION of PLANES and SOLIDS. Also by Mr. SCOTT. 1 vol. 8vo. (*In preparation.*)

KEITH ON THE GLOBES, AND KEY.—NEW EDITIONS.

A New Treatise on the Use of the Globes; or, a Philosophical View of the Earth and Heavens: comprehending an Account of the Figure, Magnitude, and Motion of the Earth; with the natural Changes of its Surface, caused by Floods, Earthquakes, &c., together with the Principles of Meteorology and Astronomy; with the Theory of Tides, &c. Preceded by an extensive Selection of Astronomical and other Definitions, &c. &c. By THOMAS KEITH. New Edit. considerably improved by J. ROWBOTHAM, F.R.A.S., and W. H. PRIOR. 12mo. with seven Plates, pp. 388, bound. London, n. d. 6 6

In this edition are introduced many new questions relating to the positions of the Sun, Moon, and Planets, for the years 1838, 1839, 1840, 1841, and 1842, respectively.

* * The only GENUINE edition, with the Author's latest Additions and Improvements, bears the imprint of Messrs. LONGMAN and Co.

KEY. By Prior. New Edition. 12mo. pp. 46, cloth. London, 1842. 2 6

KEITH'S GEOMETRY.—NEW EDITION.

The Elements of Plane Geometry: containing the first Six Books of Euclid. From the Text of Dr. Simson; with Notes, Critical and Explanatory. To which are added, Book VII. including several important Propositions which are not in Euclid; together with the Quadrature of the Circle, the Lune of Hippocrates, the Maxima and Minima of Geometrical Quantities, &c.; and Book VIII. consisting of Practical Geometry; also Book IX. of Planes and their Intersections; and Book X. of the Geometry of Solids. By THOMAS KEITH. 4th Edit. corrected by S. MAYNARD. 8vo. pp. 446, bds. Lond. 1835. 10 6

KEITH'S TRIGONOMETRY.—NEW EDITION.

An Introduction to the Theory and Practice of Plane and Spherical Trigonometry, and the Stereographic Projection of the Sphere; including the Theory of Navigation: comprehending a variety of Rules, Formulae, &c., with their Practical Applications to the Mensuration of Heights and Distances; to determine the Latitude by two Altitudes of the Sun, the Longitude by the Lunar Observations, and to other important Problems on the Sphere, and on Nautical Astronomy. By THOMAS KEITH. 7th Edition, corrected by S. MAYNARD. 8vo. pp. 472, cloth. London, 1839. 14 0

CROCKER'S LAND SURVEYING.—NEW EDITION, BY T. C. BUNT.

Crocker's Elements of Land Surveying. New Edition, corrected throughout, and considerably improved and modernized, by T. C. BUNT, Land-Surveyor, Bristol. To which are added, Tables of Six-figure Logarithms, superintended by Richard Farley, of the Nautical Almanac Establishment. Post 8vo. with Plan of the Manor of North Hill, Somerset, belonging to J. W. Antoni, Esq., very numerous Diagrams, a Field-book, Plan of part of the City of Bath, &c. pp. 432, cloth. London, 1841. 12 0

FARLEY'S SIX-FIGURE LOGARITHMS.

Tables of Six-figure Logarithms: containing the Logarithms of Numbers from 1 to 10,000, and of Sines and Tangents for every Minute of the Quadrant and every Six Seconds of the first Two Degrees. With a Table of Constants, and Formulae for the Solution of Plane and Spherical Triangles. Superintended by RICHARD FARLEY, of the Nautical Almanack Establishment. Post 8vo. pp. 276 (unenumerated), cloth. London, 1840. 4 6

EULER'S ALGEBRA, BY HEWLETT.—FIFTH EDITION.

Elements of Algebra, by LEONARD EULER, translated from the French; with the Notes of M. Bernouilli, &c. and the Additions of M. De la Grange. By the Rev. JOHN HEWLETT, B.D. F.A.S. &c. To which is prefixed, a Memoir of the Life and Character of Euler, by the late Francis Horner, Esq. 5th Edition, carefully revised and corrected. 1 vol. 8vo. pp. 618, cloth. London, 1840. 15 0

TAYLOR'S ARITHMETIC, AND KEY.—NEW EDITIONS.

The Arithmetician's Guide; or, a Complete Exercise Book, for Public Schools and Private Teachers. By W. TAYLOR. New Edition, 12mo. pp. 200, bound. London, n. d. 3 6

KEY to the same. By W. H. WHITE, of the Commercial and Mathematical School, Bedford. 12mo. pp. 172, bound. London, 1841. 4 0

*Works on Geometry, Arithmetic, &c.—CONTINUED.***MOLINEUX'S ARITHMETIC, AND KEY.—NEW EDITIONS.**

| | |
|---|-----|
| An Introduction to Practical Arithmetic, in Two Parts, with various Notes and occasional Directions, for the Use of Learners. By T. MOLINEUX, many years Teacher of Accounts and the Mathematics in Macclesfield. In Two Parts. Part 1, New Edition, pp. 198, London, n. d.; Part 2, 6th Edition, pp. 188, London, 1839, each, 12mo. bound..... | 2 6 |
| KEY to Part 1, pp. 16, London, n. d. | 0 6 |
| KEY to Part 2, pp. 14 (18 to 32), London, n. d. | 0 6 |

JOYCE'S ARITHMETIC, AND KEY.—NEW EDITIONS.

| | |
|--|-----|
| A System of Practical Arithmetic, applicable to the Present State of Trade and Money Transactions; illustrated by numerous Examples under each Rule. By the Rev. J. JOYCE. New Edition, corrected and improved by S. MAYNARD, 12mo. pp. 264, bound. London, n. d. | 3 0 |
| * The only Genuine Edition, containing the Author's latest Additions and Improvements, bears the imprint of Messrs. LONGMAN and Co. | |

| | |
|--|-----|
| KEY; containing Solutions and Answers to all the Questions in the Work. To which are added, Appendices, shewing the Method of making Mental Calculations; and a new mode of setting Sums in the early Rules of Arithmetic, without Trouble to the Master. New Edition, corrected and improved by S. MAYNARD, 18mo. pp. 228, bound. London, 1840..... | 3 0 |
|--|-----|

SIMSON'S EUCLID.—NEW EDITION.

| | |
|---|-----|
| The Elements of Euclid: viz. the First Six Books, together with the Eleventh and Twelfth; also the Book of Euclid's Data. By ROBERT SIMSON, M.D. Emeritus Professor of Mathematics in the University of Glasgow. To which are added, the Elements of Plane and Spherical Trigonometry; and a Treatise on the Construction of Trigonometrical Canon. Also, a Concise Account of Logarithms. By the Rev. A. ROBERTSON, D.D. F.R.S. Savilian Professor of Astronomy in the University of Oxford. 25th Edition, carefully revised and corrected by S. Maynard. 8vo. pp. 498, bound. London, 1841..... | 9 0 |
|---|-----|

THE ELEMENTS OF EUCLID; viz. the First Six Books, together with the Eleventh and Twelfth.

Printed, with a few variations and additional references, from the Text of Dr. SIMSON. New Edition, carefully corrected by S. Maynard, 18mo. pp. 332, bound. Lond. 1841. 5 0

The same Work, edited, in the Symbolical form, by R. BLAKELOCK, M.A. late Fellow and Assistant Tutor of Cath. Hall, Cambridge.

New Edition. 18mo. pp. 396, cloth. Lond. 1842. 6 0

MORRISON'S BOOK-KEEPING, AND FORMS.

| | |
|---|-----|
| The Elements of Book-Keeping, by Single and Double Entry. Comprising several Sets of Books, arranged according to present Practice, and designed for the Use of Schools. To which is annexed, an Introduction to Merchants' Accounts, illustrated with Forms and Examples. By JAMES MORRISON, Accountant. New Edition, considerably improved, 8vo. pp. 278, half-bound. London, n. d..... | 8 0 |
|---|-----|

| | |
|--|--|
| Sets of Blank Books, ruled to correspond with the Four Sets contained in the above Work:—Set A, Single Entry, 3s.; Set B, Double Entry, 9s.; Set C, Commission Trade, 12s.; Set D, Partnership Concerns, 4s. 6d. | |
|--|--|

MORRISON'S COMMERCIAL ARITHMETIC, AND KEY.

| | |
|---|-----|
| A Concise System of Commercial Arithmetic. By J. MORRISON, Accountant. New Edition, revised and improved, 12mo. pp. 254, bound. London, 1842..... | 4 6 |
|---|-----|

| | |
|--|-----|
| KEY. 2d Edition, 12mo. pp. 316, bound. London, 1826..... | 6 0 |
|--|-----|

NESBIT'S MENSURATION, AND KEY.—NEW EDITIONS.

| | |
|---|-----|
| A Treatise on Practical Mensuration: containing the most approved Methods of drawing Geometrical Figures; Mensuration of Superficies; Land Surveying; Mensuration of Solids; the Use of the Carpenter's Rule; Timber Measure, in which is shewn the Method of Measuring and Valuing standing Timber; Artificers' Works, illustrated by the Dimensions and Contents of a House; a Dictionary of the Terms used in Architecture, &c. By A. NESBIT. 11th Edition, corrected, with 200 Woodcuts, three Copper-plates, and an engraved Field-Book. 12mo. pp. 468, bound. York, 1841..... | 6 0 |
|---|-----|

| | |
|---|-----|
| KEY. 7th Edition, 12mo. pp. 300, bound. York, 1841..... | 5 0 |
|---|-----|

NESBIT'S LAND SURVEYING.—NEW EDITION.

| | |
|---|------|
| A Complete Treatise on Practical Land Surveying. By A. NESBIT. 7th Edition, greatly enlarged. 1 vol. 8vo. illustrated with 160 Woodcuts, 12 Copperplates, and an engraved Field-Book (pp. 16 sewed), pp. 412, boards. York, 1839..... | 12 0 |
|---|------|

NESBIT'S ARITHMETIC, AND KEY.—NEW EDITIONS.

| | |
|---|-----|
| A Treatise on Practical Arithmetic. By A. NESBIT. 3d Edit. 12mo. pp. 430, bound. York, 1839. A KEY to the same. 12mo. pp. 268, bound. York, 1830..... | 5 0 |
|---|-----|

ILLUSTRATIONS OF PRACTICAL MECHANICS.

| | |
|---|-----|
| By the Rev. H. MOSELEY, M.A., Professor of Natural Philosophy and Astronomy in King's College, London; being the First Volume of Illustrations of Science by the Professors of King's College. Second Edition, revised, 1 vol. 8vo. with numerous Woodcuts, pp. 478, cloth. London, 1841..... | 8 0 |
|---|-----|

9. Works for Young People, by Mrs. Marcket.

MRS. MARCET'S JUVENILE WORKS.—NEW EDITIONS.

| | |
|--|-----|
| MARY'S GRAMMAR; interspersed with Stories, and intended for the Use of Children. By Mrs. MARCET, 5th Edit. revised and enlarged. 18mo. pp. 336, half-bd. Lond. 1841 | 3 6 |

(*Vide page 1.*) London, 1842. 5 0

GRAHAM'S ART OF ENGLISH COMPOSITION.

English; or, The Art of Composition explained in a Series of Instructions and Examples. By G. F. GRAHAM. Fcp. 8vo. pp. 348, cloth. (*Vide page 1.*) London, 1842. 7 0

EXTRACT FROM CRITIQUE IN "THE ATLAS" OF AUGUST 21, 1842.

"The introductory remarks are excellent, especially those on the study of languages. The arrangement is natural throughout. The mechanical construction of sentences, from which abstract terms are excluded, and sensible objects and their qualities are the formation of the examples, forms the first chapter; next follows a chapter on variety of expression; and, in succession, abstract terms, connected composition, historical composition, figurative language, the theme, and, lastly, the essay. The examples are simple, and the variety so great, that the teacher can never be at a loss for a new subject. In short, the work is calculated to render that, which to youth is generally made a frightful drudgery, an interesting study and a pleasing recreation."

BULLAR'S QUESTIONS ON THE SCRIPTURES.—NEW EDITION.

Questions on the Holy Scriptures, to be answered in Writing, as Exercises at School, or in the course of Private Instruction. By JOHN BULLAR. New Edit. 18mo. pp. 192, cloth let. London, 1840.. 2 6

AIKIN'S POETRY FOR CHILDREN.—NEW EDITION.

Poetry for Children; consisting of Selections of easy and interesting Pieces from the best Poets, inter-spersed with Original Pieces. By Miss AIKIN. New Edition, considerably improved, 18mo. half bound. London, n. d. 2 0

EDGEWORTH'S EARLY LESSONS.—NEW EDITION.

Early Lessons. By MARIA EDGEWORTH. 9th Edit. 4 vols. 18mo. pp. 1070, cloth. Lond. 1841.... 10 0

German Language.

†‡‡ For other German Works, *vide* Messrs. Longman and Co.'s royal 8vo. School Catalogue.

BOILEAU'S INSTRUCTIONS IN GERMAN.—NEW EDITION.

The Linguist: a Complete Course of Instructions in the German Language; in which attention is par-ticularly directed to peculiarities in Grammatical Forms and Construction. Exemplified by Selections from the best Authors. By D. BOILEAU, Author of the "Nature and Genius of the German Language;" "Key to the German Language and Conversation," &c. New Edition, carefully revised and corrected, 1 vol. 12mo. pp. 260, cloth. London, 1840..... 7 0

BIALLOBLOTZKY'S HISTORY OF GERMAN LITERATURE.

The History of German Literature, illustrated by Examples (in Reading Lessons) from Modern German Authors. By F. BIALLOBLOTZKY, German Examiner to the University of London. 12mo. pp. 246, cloth. London, 1842. 6 6
